

Driver & Visitor Safety Instructions

To help ensure your safety and the safety of others, please follow these instructions while on-site. Also see map on back.

- ③ After you use the call box to check in for your appointment, park your truck or car in a designated parking area. Follow signs to the lab to sign in and pick up your safety glasses, hard hat and safety vest, if you don't have your own.

- ③ If you don't have an appointment and/or are not dressed in the proper attire, you may be asked to make an appointment for another time.
- ③ Drivers will be supplied a Transporter Notice with more details upon check-in. Visitors will be furnished a Safety Guide.
